Indianapolis - - 6 New York - - - 5

(SPECIAL TO THE EVENING WORLD.)

BASE GROUND, INDIANAPOLIS, July 1.—Today was the hottest yet experienced by the Giants this season.

In spite of the water which Manager Bancroft had plentifully sprinkled over the diamond, the sun's rays brought out great beads of perspiration upon the faces of the hardest-trained men in the nine. The mercury was away above the ninety mark.

But a hot day and a New York day are one so far as baseball is concerned, and the boys took the field confident in the belief that by 9 o'clock, or thereabouts, three straight victories over the Hoosiers would be credited to them.

The resolution passed by the Brotherhood at their Spring meeting to discontinue work on and after July 3, in case the League did not accede to their demands, has been abandoned, and it is now settled that no formal action will be taken by the Brotherhood until the Fall.

This decision was arrived at within the past forty-eight hours and was probably made by the Committee having the matter in charge, namely, Branches, Hamilton and Ward.

Twisting left for his home in Cincinnati last night, and will not rejoin the Club until Thursday, in Pittsburgh.

Buck's leg is very lame and he preferred to do his hospital duty at home.

Keefe and Brown formed the Giants' battery today and Boyle and Buckley made a pleasing alliteration for the Hoosiers.

The crowd was small and very shifty-sleazy. The batting order:

INDIANAPOLIS. NEW YORK.
Boyle, p. Gore, c. f.
Glascock, s. a. Tiernan, i. f.
Hines, 1st b. Connor, 1st b.
Buckley, c. f. Richardson, 2d b.
Hines, 2d b. O'Rourke, 3d b.
Meyer, c. f. Hines, 3d b.
Boyle, p. Boyle, p.

Umpire—Mr. Fossenden.

First Inning—Hatfield stopped a grounder from Seery's bat, but his bad throw to first enabled the runner to reach the base in safety.

Then Richardson failed to stop Glascock's grounder and Seery reached second. Denny's sacrifice, Hatfield to first, advanced both a base.

Hines fled out to Tiernan and the throw in getting past Brown. Seery scored. Buckley got in a safe one past second and Glascock scored. McGeechey went out at first on Richardson's assist. Two runs.

After this exhibition of razzle-dazzle field work the Giants came in to bat and proceeded to knock out enough hits to earn three runs and take the lead.

Gore led off with a grand drive for four bases over the centre-field fence and scored amid all the noise that the 900 spectators could make.

Tiernan followed the homer with a double which hit the right-field fence, and ran to third when Connor slashed a single to right.

Connor stole second, and on the throw down Tiernan scored. Richardson's out at first gave Connor third, and he too scored when O'Rourke planted a safe one to left.

Hatfield hit a grounder to Glascock, who fielded to second, forcing O'Rourke, and Bassett got the ball to first in time for a double. Three runs.

Second Inning—The Hoosiers second essay was productive of nothing.

Myers went out on Whitney's assist and Bassett and Boyle were retired on ground hits to Connor. No runs.

The champions' half was equally short and as much of a blank.

Brown was disposed of by Bassett and Hines. Whitney struck out.

Keefe, who has changed his style of hitting and now bats left-handed, went out on a grounder to Denny. No runs.

Third Inning—Red balls and clever base running enabled the Hoosiers to tie the score in this inning.

Seery took first on balls and second on Glascock's out on a ground hit to Richardson.

GORE

With that stick work of the first inning and another blank resulted.

Gore, on a close decision, was declared out at first on Bassett's assist.

Tiernan struck out and Connor was cared for in the same manner as Gore. No runs.

Fourth Inning—Hatfield made an exceedingly pretty catch of McGeechey's fly, taking the ball after a desperate run out into left field.

Gore stood in his tracks and received Myers's hard hit liner, and Tiernan had little difficulty in stopping the flight of Bassett's fly. No runs.

Richardson's grounder was sent to first by Glascock and O'Rourke, after after a hot race, was beaten to the base by Denny's throw.

The latter also assisted Hatfield to go out. No runs.

Fifth Inning—Boyle's high fly received loving pressure from Richardson's hands.

Seery dallied with about forty fouls and ultimately got first on balls.

With that base as a starter, he was sent to third by Glascock's fairly fly to right.

Then Denny boomed a long high fly to left. O'Rourke caught the ball and fielded to Hatfield, who in turn threw to Whitney at third in time to catch Glascock en route for that bag, but the third out had not been made before Seery had scored. One run.

Brown's pop fly was caught by Bassett.

Whitney's hit of the kind was caught by Boyle, and Keefe again succumbed to the fielding abilities of Denny and Hines. No runs.

Sixth Inning—Hines opened the sixth with a corking drive past third for two bases and took third base when Buckley bunted a slow grounder to Whitney and went out at first.

McGeechey then slipped a grounder to Richardson, who stopped the ball and deided to the plate in time to cause Hines's out.

On the play and a little slowness on Brown's part, McGeechey took second.

He stole third, Whitney making an excellent stop of Brown's low throw.

Myers knocked a fly, which Gore caught. No runs.

Home-run hits by Gore and Connor enabled the Giants to snatch the lead again in their half of the sixth.

Gore, except for a slight variation in the direction of his hit, began the Giants' sixth in the same splendid manner as he did their first.

His last nut the ball squarely in the face and propelled it by no easy stages over the right field fence and the wire screen which tops it.

Then, after Tiernan had gone out on a grounder to Hines, Connor duplicated Gore's great hit, the ball flying outside of the grounds at almost the same point.

Fouls to Denny and Boyle prevented Richardson and O'Rourke from doing harm. Two runs.

Seventh Inning—Hatfield's hands held Bassett's fly close clapped, and Brown's maulers refused to let Boyle's third strike get past them.

Seery for the third time got first on balls, but Richardson's pretty stop and throw of Glascock's grounder sent the Hoosiers to the field. No runs.

Myers made a good running catch of a fly ball hit by Hatfield.

Brown's pop fly fell to Glascock.

A great stop by Glascock and his subsequent throw to first caused Whitney's out. No runs.

Eighth Inning—A beautiful one hand stop by Hatfield of Denny's hot grounder over second was responsible for the first Hoosier out.

Hines received a base on balls.

Buckley fouled out to Connor.

Hines stole second.

McGeechey struck out. No runs.

Keefe went out at first on Denny's assist.

Tiernan hit to left for two bases.

Connor went out at first. No runs.

Myers went out, Richardson to Connor, Keefe's muff of Connor's throw gave Bassett first.

Boyle fled to Richardson.

Seery's three-bagger brought Bassett home, and after July 3, in case the League did not accede to their demands, has been abandoned, and it is now settled that no formal action will be taken by the Brotherhood until the Fall.

Twisting left for his home in Cincinnati last night, and will not rejoin the Club until Thursday, in Pittsburgh.

This year's lot included the entire produce of the Rancho del Paso breeding stables, and in the lot of Sir Modred, Hyder Ali, Dewdrop, Sir Blaise, Hook Hocking, Hunsar, Faleetto, John Happy, Kyrle Daly, Milner, Joe Daniels and Warwick.
